Dear EPIC User,

On behalf of GE Healthcare Technologies, we are pleased to invite you to participate in the

## 5<sup>th</sup> European EPIC Programming Course

The course will be held in Madrid, Spain on February 23<sup>rd</sup> until 26<sup>th</sup> 2010, and will start on Tuesday at 08:00, ending on Friday 15:00. This class is intended for all those considering pulse sequence development on GE MRI systems.

The course will be managed by:

- **Dr Race Yeung – ASL Europe, UK**
- **Dr Gavin Houston – ASL Europe, NL**
- **Dr Roberto Garcia Alvarez – Advanced Applications Europe, Iberia**

And taught by:

- **Professor Gareth Barker – Institute of Psychiatry, London, UK**
- **Dr Martin Graves – Addenbrooke's Hospital, Cambridge, UK**

Topics will include:

- **EPIC version installation**
- **SIGNA HDx hardware overview**
- **Introduction into pulse sequence design**
- **EPIC tools**
- **Host code and Target code**
- **EPIC+ features**
- **Raw data**

Workstations will be available for hands-on tuition.

Participants are asked to bear the cost of their travel and lodging. There will be a registration fee of 750 EURO (including VAT) covering all costs related to the training including refreshments, lunch and a dinner on February 24<sup>th</sup>. Due to restrictions of the venue, the number of places will be limited.

If you have any questions, please do not hesitate to contact one of us.

***We hope to see you in Madrid !!!***
