Directions to RCSI:

RCSI is located at the very heart of Dublin, Ireland's vibrant capital city. An early 19th century building on beautiful St Stephen's Green in Dublin's city centre is the focus point of the Campus.

Behind the buildings' elegant historical facade are modern lecture theatres, seminar rooms, laboratories and the administrative services of the College.

A convenient way to reach the College and many Hotels from Dublin Airport is to take the AIRCOACH bus shuttle. The stop closest to RCSI is "Grafton Street", which is in 5-10 min walking distance. See the website for convenient stops close to your accommodation (www.aircoach.ie). Taxi fares from the airport would be between €25-30.

Alternatively, you can take Dublin Bus (Route 747 until "College Green", 10 min walking distance)
